

Season of Creation Intercessions

That people of every faith may use this Season of Creation as a time to pause, give thanks and take real steps to care for our world, let us pray:

Response: "Creator God, hear our prayer."

That our Church and all ecclesial communities may hear the cry of the earth and the cry of the poor, to recognise our calling to be guardians rather than masters, and find in our faith a deep reason to live justly on this planet, let us pray:

Response: "Creator God, hear our prayer."

That world leaders, international organisations and each of us as citizens may stand firmly against the exploitation of our planet's resources, knowing that how we treat the earth is inseparable from how we treat each other, and that care for creation is the foundation of lasting peace. Let us pray:

Response: "Creator God, hear our prayer."

That young people may be inspired by St Francis of Assisi to make bold, generous choices: to live simply, protect ecosystems and honour the dignity of every person and creature. Let us pray:

Response: "Creator God, hear our prayer."

That we may use the gifts of human ingenuity and technology to repair the damage done to God's creation, lift people out of poverty, and sustain the wonder of the natural world for generations to come. Let us pray:

Response: "Creator God, hear our prayer."

That we who participate in this Eucharist may be ready to answer God's call to be prophets of a new creation, transformed in the Passover of Jesus. Let us pray:

Response: "Creator God, hear our prayer."

That we may receive the grace to care for all that God has made and that every creature may know the blessing of his boundless love. Let us pray:

Response: "Creator God, hear our prayer."
